Executive Summary

Food Safety and Agriculture

The food inspection system continues to perform as anticipated. UDAF has nothing new to report.

Temporary Mass Gatherings

Problems identified during routine inspections are quickly being resolved.

Department of Environmental Quality

In Salt Lake, Davis, Utah, and western Weber Counties, current air quality is moderate. No health advisories are in effect.

UDOH Hazardous Substances Emergency Events Surveillance (HSEES) System

Nothing new to report.

Disease and Injury Surveillance and Response

There is little new to report. Influenza activity remains widespread. This level of activity is not unusual at this point in the influenza season. Syndromic and injury surveillance have identified no public health problems in the past 24 hours. Five *E. coli* cases are being investigated by local health departments. No common source has been identified so far.

Emergency Medical Services (EMS) Activity

Ambulance, EMS, hospital surge capacity, and blood supplies are adequate.

Media Relations Team (MRT)

Nothing to report.

Rapid Response Team (R2T)

No requests for assistance have been received.
